The first in a series of 210 homes will be started in the near future on property located on the east side of Hillside boulevard. The tract will be known as Edgewood Terrace.

Water Department Superintendent A. J. Bodien is purchasing water meters, pipe and fittings and fire boxes in advance, because of priorities, so that work will not be delayed.

Road equipment has been at work since last week.

Each building is to have six rooms, with two elevated bedrooms and garage below. They are to sell at approximately \$6,000.

Fines Paid At Traffic Court

Friday afternoon, February 16, was a busy day in the city court, presided over by Judge William J. Sweeney.

Robert Broyles, Mission Auto Court, paid \$2.50 for disregarding a signal; Joseph Caesar, 2725 Jackson street, \$2.50, signal; Helene Erickson, 4612 Mission street, \$2.50, signal; Armando Galli, 1818 Filbert street, \$1.50, ignoring an arterial stop; Peter Martinez, 355 Justen drive, \$2.50, signal; John Paterson, Millbrae, \$5, speeding; Marion Sanders, 431 Linden avenue, San Bruno, \$2.50, signal; Orlean Messenger, 144 Central avenue, San Francisco, \$25, speeding; William Howard, San Francisco, forfeited \$10 bail for speeding; Herman Michael, Artois, California, \$7.50, speeding.

Jack Jones, charged as acting as a contractor in Daly City without having a license issued by the State, was represented by counsel and offered a plea of not guilty. Judgment of the court, however, found him guilty of said charges and he was fined \$25.

To Continue S. M. War Council

The San Mateo County War Council, at a meeting held recently, voted to continue its activities until the end of the war, it was announced this week by Earl P. Wilsey, the council's chairman.

At the same time it was announced that the resignation of Theodore M. Lillenthal, executive director of the council, became effective January 1. Lillenthal is now associated with the war council on a part-time, voluntary basis, Wilsey said.

The council voted to notify the board of supervisors that no budget provision for the coming year need be made for the war council, as funds on hand will be sufficient to finance its operations. Lillenthal's resignation leaves Mrs. Loretta Knickerbocker, executive secretary, as the only paid member of the war-council staff.

Round Up Time for Nazis

American soldiers "clean up" a French town, after it has been overrun by mobile detachments. Some of the German soldiers sealed off in various buildings are being rounded up. Keep our boys going with your payroll savings for War Bonds.

Petition Trolley Service To Colma

Extension of street car service to include the southern part of Daly City and Colma is being asked in petitions now being circulated in those sections. The petitioners ask that the southern terminus of the 14 line and the No. 9 owl cars be moved from its present location at the "top of the hill" to a point either in Colma, or south of there.

Several hundred residents of these areas have already signed the petitions and they are rapidly being filled.

Present service to that section is provided by No. 40 interurban cars which require a minimum fare of ten cents on the south bound trip, and by a few 14s which run as far south as S a n Bruno. None of these cars operate between midnight and 5 a. m.

Plan New Campus At S. M. Jaysee

As a part of their program of leaving a foundation of research and knowledge in regards to what form of construction should be adopted in the completion of the \$1,500 building program slated for San Mateo Junior college, the San Mateo Junior College trustees have examined building plans at the Bureau of Schoolhouse Planning in Sacramento.

WANTED - - BLOOD DONORS

Seven patriotic Daly City adults are wanted to donate blood at the Red Cross Blood Donor Service at San Mateo Saturday, March 3.

This announcement was made by Mrs. Ruth Morris, local chairman for securing Daly City donors. She announced that reservations for this next trip to the center must be made by Saturday, February 24. Phone DElaware 6435.

At least seven people must sign up for the trip if the Red Cross is to send a station wagon to take the group to and from Daly City. The prospective donors will leave Daly City at 8:45 a. m. from in front of McGraw's pharmacy, 6300 Mission street.

Donor dates set for March also include March 8, 17, and 22. Since the local sponsorship began, December 9, 28 people have given blood at the San Mateo headquarters.

Mrs. Morris has been asked to increase the number of people coming from Daly City. For that reason she asks the public's cooperation in this important war service. The miracle of whole blood and plasma at front-line hospitals is known to everyone, Mrs. Morris pointed out.

AT CROCKER

Last week Room 2 welcomed to their room Eleanor Berghorn from Woodrow Wilson school.

During the Lincoln holiday, Noreen Lack of Room 3 visited in Oakdale.

Tommy Leach, also of Room 3, made a trip to Sonoma.

Beverly Bruch and Billy Evans, together with a group of friends from Room 4, had a picnic at Sheridan park over the last weekend.

The pupils of Room 6 are happy to report that Barbara Marsh, who has had an operation, is well on the road to recovery and is expected to return to school next Monday.

AT WOODROW

Room 4 is undertaking the study of soil as one of our natural resources. The importance of soil and how our basic necessities of life are dependent upon it, as well as soil conservation practices will be studied and discussed.

The sixth grade began their study of "Farming Through the Ages." They learned how the cave man lived by studying his methods of hunting and gathering food.

The boys and girls of Room 12 saw a very interesting film called "The Earth." Afterward they asked questions and discussed earthquakes, volcanoes and erosion by wind and water. The film also brought up some new words such as "erosion" and "eruption."

The children in Room 14 in social studies are comparing the living habits of the Narragansett and Plains Indians.

The pupils in the high fourth and low fifth grades saw a very interesting film, "Our Earth." The film showed how the face of the earth is changed. These changes are caused by many factors—wind, erosion, volcanoes, storms, rains, oceans, and waterfalls.

AT JEFFERSON

On Tuesday, the day after our Lincoln's Birthday holiday, the seventh grade read and discussed Lincoln's famous Gettysburg address and the story of how it was written.

Their teacher brought to class a facsimile of the address, which was written at the home of Mr. Wills in Washington, to disprove some of the stories that claim this perfect tribute was hastily written by Abraham Lincoln on a scrap of paper while he was on the train that was taking him to Gettysburg to make a speech.

The sixth grade has just started its "Story of the Nile" in con-

AT JEFFERSON HIGH

By Verna Moresco

Scholarship Society

At the last meeting of the California Scholarship society Wednesday, February 15, the meeting date was changed from Wednesdays to Mondays. A committee was appointed to make arrangements for an afternoon of bowling at the Burlingame bowl, to which students now eligible for the C. S. F. are invited to attend. Plans are being made by Verna Moresco, chairman, assisted by Betty Pistohl and Ruth Basso.

Walter Griffith, mathematics and language instructor, has taken over the duty of faculty advisor for the society.

Five more scrapbooks, to be given to the Junior Red Cross, were turned in by members at the last meeting.

J. N. S.

The tie for president of the Jefferson Naturalist Society between Ed Boyle and Harland Kinsey was decided last Thursday, when members re-elected Ed Boyle.

About The Campus

"How does my hair look?" "Do I have too much lipstick on?" "Don't forget to make me smile." That's how it happened at Jeff last Thursday when the fairer sex stepped up to the camera to have their pictures taken. The boys had their taken, too, but they, as usual, made no fuss.

New additions to the Indians' Trading Post this term include: Lois Rich and Doris Vernengo.

Those "short, short" haircuts are really taking hold of the male students at Jeff lately.

Student body card sales are doing nicely, but that doesn't make the sales 100 per cent. Get yours today!

A film, entitled "Swim to Live" was shown in assembly last Wednesday, portraying the teaching of servicemen to swim whenever they must abandon ship.

Senior Activities

Senior Class President Dan Shannon has announced the following appointments: Lois Rich and Ed Boyle have been appointed as Senior Ball chairmen; Eu-

gene Somers, chairman, assisted by Don Van Kirk, for the senior annuals; Emile Lemoine and Beverly "Tiny" Clement, chairmen, Senior jinx.

"Cupid's Stunt"

With Valentines and cupids as the theme for decorations and the Indians of Rhythm furnishing the music, the "Cupid's Strut" given on Friday evening at the high school auditorium was classed as a "success."

Rally

The rally Friday, held for the South City-Jefferson 130's game, featured two girl basketball teams; one representing Jeff and the other South City. Referees were Ralph Capps, one-time student body president at Jeff, and Doris Vernengo.

The girls played a good game including fights, fouls, and folly.

Yells were led by Doris Hahn, assisted by Virginia Nestor. The varsity band and the majorettes were also present.

During the half, Coach Elman Rose presented gold basketballs to members of the 120's team, champions of the Northern and Southern PAL league.

Stamps and Bonds

Chairman chosen for stamps and bonds at Jefferson was Eva Claus, with Frank Torkelson as assistant chairman. The committee consists of Marie Horkey, clerk; Lois Rich, bulletin board; Alma Pierre, art; Kathleen Schreiber, hall girl; Florence Hannah, Jacqueline Pate, Jacqueline Cuneo, committee members.

First period classes already 100 per cent in sales of stamps for the month of February are Claude Hackley, auto shop; Miss Beth Learned, room 27; Earle Lewis, 6; John McCarthy, band room; Howard Rote, crafts; and Clive M. Saiz, room 12.

J. N. S. Jr.

Another new organization, called the Pick and Shovel club, was formed at Jefferson last month. The new geology club held its first meeting to elect officers. Tiny Clement will serve as presi-

Thank Junior Red Cross For Lap Trays

The following letter from AAF Regional and Debarcation hospital, Hamilton Field, was sent to R. L. Crane in appreciation for the lap trays sent to them by the Junior Red Cross.

"Dear Mr. Crane:

"We wish to take this opportunity to express our appreciation for the thirty lap trays which were made by the Junior Red Cross members of the Daly City schools.

"We received the lap trays last Saturday and already they are in the wards and are being used by the bed patients. The patients have been loud in their praise of these lap trays because until now and since they have been in this hospital they have had nothing to write on except their flimsy writing tablets. Before coming here from the South Pacific they wrote their letters in fox holes or wherever they could. They have exclaimed over how good the workmanship is and what nice looking lap trays they are.

"We regret that we did not request twice as many lap trays because we see now how popular they are and what a demand there is for them. When we order more we hope that the same Junior Red Cross members can again make them for this hospital because we never before have seen such well made and attractive lap trays.

Very truly yours,
Miss Gertrude Warner
Assistant Field Director."

were her gifts.

In the evening the troop participated with Troop No. 1 and Brownie Pack No. 7 in singing "America the Beautiful" at the P. T. A. Founders' Day program held at Jefferson Union high school.

Senior Girl Scout Troop No. 6 spent the evening of February 21 roller skating at the Coliseum.

CHAMPS

Jefferson Union high school 130's basketballers won their contest with South San Francisco by a score of 23-12, thereby clinching the championship of the Northern section of the P. A. L. in their division.

In the unlimited division, South San Francisco high won easily and took that championship.

For determination of the winners and champs for the P. A. L., both northern and southern divisions, Jefferson's 130's will play 3 games with San Jose, as follows:

First game was Wednesday, February 21, in the Jeff gymnasium.

Second game will be played Friday, February 24, 8 p. m. in the San Jose State College gymnasium at San Jose.

If a third game is required it will be played at a neutral court to be determined later.

This will be a three-game series with the winner of two games taking the championship. This is Jeff's first chance to win the 130 championship in the history of the school.

Winner of the southern section, with whom the play-off is being held, is the Lincoln high school of San Jose, highly rated because of their height and speed.

Jeff won the 120 championship earlier in the year and is hoping to annex the 130 title.

Troup 3 Holds Valentine Party

Girl Scout Troop No. 3 held an International Valentine party February 16 at their club house, Mission and Theta, in celebration of International month. Costumes worn represented the following countries: United States, Finland, Norway, Sweden, China, Czechoslovakia, Hawaii, Holland, Samoa and Romania.

A collection was made for the Treasure Chest, to be used to purchase books for children of the liberated countries.

Corrine Noble and Dixie Schultheis entertained with a tap dance.

Two girls, Shirley Combs and Janet Schreiber acted as hostesses for the party, serving home-made cake, cookies and cola. Shirley and Janet have now passed their homemaking activity toward their second class rank, which makes group No. 3 100 per cent in this activity.

Valentines were distributed to all the girls from a box designed by Joyce Morgan.

Girls from Troop No. 4 and their leader, Mrs. Edna Van Vliet, were guests at the party. Mrs. Hilda Heagney, the Juliette Low chairman of the council, was also present.

P. T. A. Celebrates Founders' Day

Commemorating Founders' Day, Seventeenth District met at the Chadbourne Avenue school in Millbrae Thursday, February 15, with Mrs. L. G. Evans presiding.

"Child Welfare in 1897 and 1945" was the subject chosen by Dr. Edna W. Bailey, state chairman of mental hygiene and Professor of Education of the University of California, who was the principal speaker.

"The Four Cornerstones" was the theme for the candle lighting ceremonies in honor of Founders' Day, presented by Mrs. J. M. Foley, chairman and Mrs. E. A. Poage, co-chairman.

Gifts of the units were acknowledged by the placing of acorns on a miniature oak tree to represent the growth of seventeenth district. The character thought was read by Mrs. C. S. Hower, chairman of Character education. Membership to date is 6434 as reported by Mrs. M. G. Strohmaier, membership chairman.

Miss Pansy Jewett Abbott, county superintendent of schools, gave praise to the members on their activities and expressed the hope for continued success in all their efforts. "Beauty of face does not mean beauty of soul or character. Inner beauty is reflected in the eyes, the mirror of the soul. Right living and thinking give you that inner beauty!" The example we set for our children now, helps or hinders the development of their characters.

Committees appointed for the district convention to be held on April 19, were announced by Mrs. L. G. Evans, president.

March 8 is the date for the next district meeting to be held at the Sequoia High school in Redwood City, Mrs. F. C. Beach, director of education, in charge.

D. C. Political Club Approves Health Bill

The Daly City Political club at its meeting of February 14, endorsed Assembly Bill 449, the Thomas Bill for prepaid health insurance, and Assembly Bill No. 3, for a State Fair Employment Practices committee, introduced by Augustus Hawkins of Los Angeles. Both bills will be before the State legislature when it reconvenes on March 5. The club plans to issue a circular letter in behalf of the two bills.

The club's transportation committee has prepared for circulation a petition to Mr. Cahill of the San Francisco Public Utilities commission to extend regular street car and bus service to terminate at Colma instead of the present terminal at Mission and Hillcrest so that better service will be available to residents living south of the business section.

Frank Kent was elected chairman of the club to replace the former chairman, Francis Hanson, who has returned with his family to his former home in Minneapolis.

GREYHOUND AIDS RECRUITING

With the publication today of their seventh large advertisement promoting enlistments in various branches of the armed forces, Pacific Greyhound Lines undoubtedly qualifies as a potent force in volunteer recruiting for Uncle Sam. Newspapers were chosen to carry these messages because of their broad coverage, and each of the advertisements appearing in over 500 western newspapers reached millions of people in seven states. In addition, many Greyhound buses have been painted with recruiting messages, which have been carried in this way into the vast territory served by Pacific Greyhound.

How and why this unusual type of advertising was adopted was explained by F. W. Ackerman, vice president of Pacific Greyhound Lines.

"After Pearl Harbor," said Mr. Ackerman, "Greyhound's war job became a vital one to the nation. All of our buses were put to work transporting military personnel, war workers and other essential passengers. We were handicapped by shortages of buses, parts and materials, and personnel.

"However, Greyhound advertising still had important work to do in keeping people informed on travel conditions. We continued to use newspapers to carry these messages.

"Recognizing the urgent need of the armed forces, Greyhound

volunteered to run an advertisement for the Navy to help get recruits for the Seabees. This advertisement created unusual interest in every city and town where it ran, and also produced good results in stimulating enlistments. Since then, Greyhound have run six more advertisements of a similar type, featuring the Waves, the Wacs, Navy Nurses, Women Marines, Navy radio technicians and other specialized service organizations in need of personnel.

"Greyhound is happy to do its share in this way in helping the recruiting program of the armed forces, and to help bring Victory closer."

The seventh of the Greyhound recruiting advertisements to appear in the Daly City Record is published in this issue.

INCREASE IN AIR FREIGHT CREATES AIR CARGO JOBS

United Air Lines calls for more men to keep vital war materiel flying

With the tempo of the war in the Pacific increasing daily, United Air Lines is flying the greatest volume of air cargo in its history.

In this vital war work, cargo handlers at the San Francisco Airport are doing a tremendous job of keeping this war materiel moving to all parts of the nation and war zones, the airline reports.

However, with the air transport job increasing as the war is stepped up, more cargo handlers are needed today at the airport.

In addition to the war cargo there is a great volume of domestic air express, mail and other cargo to be loaded and unloaded from Mainliners landing and taking off every hour at the San Francisco Airport.

Cargo handlers find working conditions at United Air Lines pleasant, and co-workers are friendly and helpful to new employees. Transportation to the San Francisco Airport is convenient—busses stop at the gate of United Air Lines. And the airline recently opened a new and modern cafeteria for its employees. Employee benefits include vacations with pay, insurance, periodic wage review, and a retirement plan.

To help out in this vital war cargo work, men are urgently needed today. Apply at United Air Lines, San Francisco Airport, Bayshore Blvd., at San Bruno Ave., or 421 Powell St., San Francisco.

Your Government Urges You To

SAVE GAS

AND ALL VITAL FUELS

Keep Room Temperatures At 68 Degrees

UNCLE SAM has made an urgent appeal for fuel saving throughout the nation. Here in California, we should conserve our gas supply by being thrifty in our use of it in home and industry. Gas is a vital and essential fuel used in the production of war materials that fill the ships that sail out the Golden Gate to our fighting men across the Pacific.

You can contribute to the fuel-saving effort by guarding against wasting heat in your home—by keeping room temperatures at no more than 68 degrees.

This company has pledged full support to a request of the Office of War Utilities, War Production Board in its national fuel-saving program. We urge our customers to help through voluntary cooperation.

Other Ways You can Help...

Do not use your gas range for heating the kitchen. Close bedroom doors at night. Close fireplace damper when gas heater is on. Repair leaky hot-water faucets. Use as little hot water as possible. Dress warmer in your home and use less heat.

CANCEL MEETING

In compliance with the request of the United States Office of Defense Transportation, the Native Daughters of the Golden West, oldest patriotic women's organization in California has cancelled its traditional annual June convention.

To aid in the speedy climax of the war and the return of men and women in the service of our country to their homes, is the purpose of the decision made at a meeting of the board of grand officers held in San Francisco recently.

Grand Inside Sentinel Dorothy Donofrio of El Carmelo Parlor, Daly City, attended the meeting which also went on record as favoring the allocation of more funds for increasing FBI vigilance over the Japanese returning to California and restraining them from fishing in the waters of the Pacific coast.

BROWNIES

Brownie Scouts No. 7 had a party on Valentine's day, February 14. After valentines were drawn from a box, refreshments of cake and cookies were served.

Double Headers On Sundays -- Maybe

In making bookings for the semi-pro teams of San Francisco it has been suggested by Al Erle that they play a double header each Sunday during the summer league at Marchbank park, on account of Golden Gate park having only two diamonds.

This would give the fans baseball from April until October if the suggestion is carried out.

Erle states it is a disgrace that he is unable to secure games each Sunday for beautiful Marchbank park.

No games are scheduled for this coming Sunday.

Creamed Fish

Creamed fish is more appetizing with a dash of chili powder for flavor or a little prepared mustard with the cream sauce.
